# GOAL 1

Provide students with adequate support and experiences to promote growth in all areas.

- Academic support in all schools
- Response to intervention- assess and streamline process and procedures
- K-5 Mathematics resources at Liberty and Central PLC's and articulation with Hackettstown
- Honors level courses- articulation with HS is being scheduled

## Goal 2

Intensify the district's commitment to move toward an environment that provides students with 21<sup>st</sup> Century Skills and prepares them for success on a global level by incorporating technology into all settings.

- All staff is being provided with training on Google and the Chrome books
- PARCC readiness- Think Central and Write Smart are being implemented with the Journey's program, Link-it! benchmarks are being implemented at the middle School
- Blended learning- inter-district articulation and professional learning communities are being used to identify best practices
- Best practices in technology implementation: common planning time and support with peer instruction and modeling for staff

## Goal 3

Creating a social and academic environment that is safe and enhances students ability to become forward thinking risk takers, and globally conscious.

- Civic awareness- community projects with Veteran's Vienna Food bank, Senior Center, Liberty Cares
- Student code of conduct- changes have been implemented to be reassessed with a climate survey and discussed at principal forums
- Character education activities- Rachel's Challenge, Second Step, character education initiatives implemented throughout the school year

## Goal 4

Create a top-notch school environment by opening communication paths and engaging parents in the student's academic life. Collaborating with community to access resources.

- Communication- family nights at Central, parent advisory committees at Liberty and newsletter updates
- Student Achievement- Link-it! and Journey's assessments, data to be shared with parents and school community
- Leadership Corp- monthly luncheons, a focus on school climate improvement
